Indiana Fire Chief Scholarship Questions

This scholarship was created to annually provide two (2) scholarship awards to recognize and support applicants for community service. Scholarship applicants will be recognized and announced at their respective school district awards programs. In addition, scholarship winners will be recognized during the annual Indiana County Fire Chiefs Association Convention during the Chief's Dinner. Visit their Facebook page (<https://www.facebook.com/icfca32/>) to learn more about this organization.

This scholarship is open to high school seniors or high school graduates pursuing post-secondary education at an accredited college/university, business or trade school. Collegiate freshmen, sophomores, and juniors are eligible to apply, as well as non-traditional students who will be re-entering school in the upcoming semester. Also eligible are individuals exploring EMT or paramedic training.

Applicants must provide service to one's community through the fire service or other means. Those providing service directly to their local fire company through membership or through active firefighter or support status will receive greater consideration. However, membership with a fire company is not required to receive the scholarship.

Primary Fire Company*

What is the name of your primary fire company that protects your home?
